Stop at the panoramic viewpoint in Meta di Sorrento to look up to the wonderful sight of the bay overlooking the sea.

Stop in Sorrento for a brief visit of the town (about one hour). The guide will show you the most renowned places walking through the suggestives narrow streets full of stores and little workshops, as far as one of the most scenic place of Sorrento: the so-called Villa Comunale from where is possible to admire the beauties of the golf as far as Punta Campanella and Capri Island and immortalize the breathtaking scenery.
