Tour Itinerary

Day 1 :- Athens: Ferry to Tinos

Athens has always been the gateway to the Greek islands and an island hopping trip is part of everyone's vision when you think about exploring this magnificent part of the world. Imagine the warm sun on your face, the blue water that turns to azure, and the beautiful white villages that start coming into focus. Welcome to Tinos, and to Greece, and we invite you get off the beaten track and live in the moment.

Lunch

Day 2 :- Tinos: A Hike Around the Castle

Lesser known and lesser visited, Tinos is what you imagine in your mind's eye when you picture the Greek islands. In the southern part of the island, a rocky outcrop known as the castle is your backdrop as you hike around the castle from village to village and learn about the history and culture of the island.

Breakfast Lunch

Day 3 :- Naxos: The Cheese and Wine Trails

Each Greek island is distinct from the other and has its own unique feel and specialties that can be found only there. This is one of the main reasons why island hopping in Greece is so rewarding; each day is a unique adventure. Naxos welcomes you with an exclusive food and wine experience making and tasting local Arseniko cheese and visiting a vineyard to learn and sample some of the locally produced wine.

Breakfast Lunch

Day 4 :- Naxos: A Hike Back in Time

Even though we may love our modern conveniences, it's impossible not to imagine what life was like over 500 years ago, especially, on a small island. Here on Naxos you have the chance to briefly step back in time on a hike that gets you out into the countryside with a local guide, learning about how the valley of Tragea helped the entire island to flourish economically and socially over 500 years ago.

Breakfast Lunch

Day 5 :- Naxos: Sailing and Snorkeling

There is no better day in the Aegean than sailing around the Islands, jumping off to cool down, swimming in the azure water or snorkelling to search for fish and lost treasures. A trip to the Greek islands wouldn't be complete without a day out on a boat.

Breakfast Dinner

Day 6 :- Santorini: Fira and Sunset Cruise in the Caldera

There is no island more famous in Greece than Santorini. Its white buildings with blue domes are famous the world over and there is no better place to end our island hopping. Spend the afternoon discovering Fira with your CEO before a sunset cruise this evening.

Breakfast Dinner

Day 7 :- Santorini: Your OMG day

Let your interests and energy level guide you today. You have the choice between two fantastic and distinct experiences today. If you are ready to get out and walk, choose to hike from Fira to Oia. If you would rather take it easy, join a guided tour of Santorini by vehicle. Both experiences end in Oia, so you may even run into your fellow travellers along the way.

Breakfast Dinner

Day 8 :- Santorini

Today your adventure comes to an end, but the memories made during your time in the Greek islands will live on
