Shortly after, the train will begin its journey to the first destination, **Espinosa de los Monteros**, for what promises to be a memorable getaway for three fantastic days and 2 nights.

We will visit the **north of Burgos**, making the first stop in the city of Frías, a beautiful village of **Las Merindades Burgos**, and the Tobera waterfalls. Its green and mountainous landscape, together with its rich monumental heritage, give the place a special attraction that will not disappoint us.

Back to **Espinosa de los Monteros**, we will enjoy dinner and overnight on board.

After a restful night, we will have breakfast in the elegant restaurant car of **El Expreso de la Robla**. Meanwhile, the train will bring us closer to **Mataporquera**. From here we will travel by coach to the towns of Palencia where the most important Romanesque monuments in Europe are concentrated, right on the **Camino de Santiago**: Carrión de los Condes, Frómista and Saldaña.

We will have free time to explore **the location** and continue the route through the Palencia Romanesque in the direction of **Frómista**, known as La Villa del Milagro. We will visit two of the most important monuments in the region, the **Romanesque church of San Martín** and the **Canal de Castilla**, one of the most important civil engineering projects in Spain.

There will be time to wander around freely, until it's time to recharge your batteries with a delicious lunch made up of traditional dishes from the region.

In the afternoon, we will visit the **Roman Villa of La Olmeda** and its magnificent collection of mosaics.

Our luxurious coach will take us back to the train to make the journey to **Cistierna**, where we will have dinner and spend the night on board.
