Tour Itinerary

Day 1 :- New York City (Brooklyn), New York

Traverse New York City and discover why the metropolitan rightfully earned the nickname “The City That Never Sleeps.” Boasting hidden gardens next to postmodern skyscrapers, priceless art tucked away in medieval-style cloisters, and a revamped waterfront you can stroll along, the Big Apple offers an amazing experience unlike any other.

Day 2 :- Day At Sea

A day at sea gives you the opportunity to recharge before docking at your next port. Enjoy the many amenities your ship has to offer by pampering yourself with a relaxing spa day, catching an entertaining show with talented performers, or savoring an evening of fine dining at one of our many restaurants. Stick to your fitness goals by heading to the gym or hitting the mat for a mindful yoga session. Peruse a variety of shops to discover fashionable outfits, accessories, and jewelry. With endless attractions and activities, your sea day experience will be one for the books.

Day 3 :- Port Canaveral (Orlando), Florida

Port Canaveral, a departure port of an MSC Caribbean and Antilles Cruise, is located just 45 miles east of Orlando and is known for its Space Coast. On the Merritt Island peninsula you can discover the phenomenal Kennedy Space Center. Here the NASA’s space vehicles are developed, tested and blasted into orbit. Set up a bit like an Orlando theme park, the vast Kennedy Space Center Visitor Complex will enthrall anyone with the slightest interest in space exploration, with everything from enormous rockets and the history of the moon landings, to IMAX movies and a space shuttle launch simulation on offer. Many of the visitors who flock here are surprised to find that the land from which rockets are launched is also the home of sizeable Merritt Island National Wildlife Refuge framed by several miles of rough coastline. Book your cruise and be one of the first to sail with us from Port Canaveral.

Day 4 :- Ocean Cay MSC Marine Reserve, Bahamas

The Ocean Cay Marine Reserve is a pristine utopia born from our desire to preserve the planet. Once serving as an industrial dumping ground, nearly depleting the ecosystem, the island has been restored by a team of dedicated environmentalists and transformed into a marine sanctuary teeming with wildlife and native plant species. An array of attractions awaits you at this MSC exclusive location. Relax with a beach-side spa treatment next to the sparkling waters. Treat your palette to authentic Bahamian and local American flavors at our outdoor food court. Or, for an unforgettable adventure, rent scuba gear and dive into the waters to explore the diverse ecosystem of restored coral reefs just offshore. Discover this beautiful environment where humans and nature effortlessly coexist.

Day 5 :- Nassau, Bahamas

Embark on a pirate-inspired journey and delight in the Caribbean charms and excitement of the Bahamian Capital. Discover the vibrant streets of Nassau, once a notorious pirate hub in the 1700s. Immerse yourself in the city’s colonial and Georgian architecture and enjoy shopping, dining, and entertainment along the bustling Bay Street. Shop for handmade trinkets at the charming Straw Market or take a refreshing dip at popular tourist destinations like Cable Beach or Paradise Beach. No matter your interest, a captivating experience awaits you on the lively island of Nassau.
