Tour Itinerary

Day 1 :- Arrive Darwin

Darwin is the kind of place that excites all your senses. It's always steamy, which means you have a constant glow. The aroma of tropical fruits wafts from markets. The horizons are wide and sunsets blazing. Take in sights and attractions that tell stories of the NT capital's unexpected history on a city tour. As the day begins to disappear, follow the lead of the colourful locals to the Mindil Beach Sunset Market. Your Travel Director will give you the lowdown, highlighting the eclectic range of cuisine on offer – expect everything from Greek to Japanese. What a tasty start to your getaway.

Day 2 :- Darwin - Katherine

The ancient landscapes of Litchfield National Park are shaped by water, as you'll fast discover when exploring this immense protected wilderness. There are lakes and rivers, waterfalls and waterholes. Get set to visit Florence Falls, then take a dip (seasonal) in the gin-clear pool of Wangi Falls, this dreamy setting enveloped by monsoon forest. The landscape is also shaped by termites. The national park is pocked with enormous termite mounds, which are architectural feats complete with tunnels and nursery chambers. Small creatures with a big vision.

Day 3 :- Nitmuluk (Katherine) Gorge

The region's main attraction is its stunning Nitmiluk (Katherine) Gorge, which carves the countryside in spectacular form. This awe-inspiring natural wonder features a series of gorges sculpted from ancient sandstone, offering breathtaking views and unique geological formations. Sit back and enjoy a cruise through this ancient landscape, a MAKE TRAVEL MATTER® Experience, home to the Jawoyn people, where you'll have the opportunity to learn about their rich cultural heritage and traditions. The cruise not only provides a visual feast but also enriches your understanding of the deep spiritual connection the Jawoyn people have with the land. In the afternoon, join Tom Curtain's award-winning Katherine Outback Experience to delve into the Northern Territory's unique pastoral history and culture.

Breakfast

Day 4 :- Katherine - Kakadu

Today is your chance to reset your body's natural rhythms with a morning dip in Edith Falls – because days are better when you begin them with your head under water. (Please note that swimming at Edith Falls is seasonal and opening is controlled by National Parks) This series of cascades in Nitmiluk National Park will set your pulse racing. Before venturing deep into Kakadu, you're poised for refreshments with a short stopover in the film-set-like town of Pine Creek, where buildings date back to the heady gold rush days. In Kakadu, you'll take a guided walk to view ancient Aboriginal rock art at Burrungkuy (Nourlangie).

Day 5 :- Kakadu National Park

If you want a different perspective, sign up for a scenic flight over the national park, revealing just how wide, wild and wonderful this part of the world really is (own expense). Australia is home to some of the oldest art in the world, and much of it decorates rock walls at Ubirr – this jaw-dropping site protects Aboriginal rock paintings and carvings dating back more than 20,000 years. If you thought that was impressive, wait till you see the view over Kakadu from the top of the escarpment. This afternoon, there's nothing between you and nature, the dramatic escarpments, waterholes and abundant wildlife of Kakadu looming large. Speaking of large, there are saltwater crocs to spot while you drift away on a Yellow Water Billabong cruise. Your local cruise guide will share the secrets of these ancient waterways. Top off your holiday sharing a Farewell Dinner with your Travel Director and travel mates.se ancient waterways.
