## Day 2 :- Ljubljana

Breakfast at the hotel. The capital city of Slovenia lies in a basin between the Karst and the alpine region at 298 meters above sea level. We like to say it is sufficiently large to contain everything that a capital should have, and small enough to preserve the individuality of its inhabitants. It is a city with a soul, featured by the Baroque Old Town which is nestled at the foot of Castle Hill, the Art Nouveau mansions as well as some of the masterpieces of the world renowned architect Jože Plečnik. Ljubljana nowadays presents the political, cultural, scientific and university centre of Slovenia. Adding an open-air market, Ljubljanica River that meanders through the city and a mighty castle rising above the narrow streets – all that and much more you can admire in Ljubljana. Afternoon at leisure. Overnight at the hotel in Ljubljana area.

Breakfast

## Day 3 :- Ljubljana - Lake Bled - Zagreb

Take an easy walk with your guide, visiting the Upper Town with its Gothic Cathedral, the beautiful and ornate St. Catherine's church or the massive St. Mark's church with its famous color-tiled roof. Continue to the medieval Stone Gate and "Dolac", the open-air market which are a must for all visitors. Rest of the day at leisure. Overnight at the hotel in Zagreb area.

## Day 5 :- Zagreb - Plitvice National Park

Private transfer from Zagreb to Plitvice National Park. Plitvice National Park is one of the most beautiful and best-preserved national parks in the country. This is why the entire lakes and surrounding area were declared a national park in 1949 and are listed on the UNESCO's list of World Heritage Sites because of its exceptional beauty. It is a valley situated between high forested mountains in which lie, one below another, a string of sixteen beautiful lakes of crystal blue and green waters. Fed by small streams and brooks, they spill into each other in 92 foaming cascades and thundering waterfalls. The lakes themselves cover about 2 square kilometers and the entire national park covers 200 square kilometers. Free time for personal exploring. Overnight at the hotel in Plitvice area.

Breakfast

## Day 6 :- Plitvice National Park - Zadar - Split

Breakfast at the hotel. Transfer from Plitvice to Zadar. The Zadar peninsula still preserves very old network of narrow and charming city streets, as well as a Roman forum dating back to the first century AD. The pre-Romanesque Church of St. Donat dates back to the ninth century and it is certainly Zadar's most famous spot. The town is fortified with medieval walls, distinguished for their pretty and impressive ports – entries in the city all dating back to the sixteenth century. Even Alfred Hitchcock was impressed and supposedly said that the sunset here is more beautiful than in California. Countless buildings and monuments attest to the rich intellectual and cultural heritage of the city. At the end of the Western Quay is Zadar's newest feature, the Sea Organ. This unusual organ is powered by the wind and the sea. When the sea pushes air through the whistles, a series of melancholy chords are played, with the sound emerging through the perforated stone stairs. Next to the Sea Organ is the Sun Salutation also designed by Nikola Basic. This circle of glass collects the sun's rays by day, stores the energy, and emits it as a flickering light show after dark. Free time. Transfer continues to Split. Overnight at the hotel in Split area.

Breakfast

## Day 7 :- Split

Breakfast at the hotel. The old town of Split is built on and around the spectacular Roman Palace erected by the Roman Emperor Diocletian (born in Salona – today's Solin) in the 4th century. Other sites such as the Golden Gate, the Silver Gate, the Peristyle Square etc. will be seen from the outside. In the afternoon, transfer to Hvar via public ferry / catamaran. Enjoy a tour of the culture, art and history of Hvar, one of the principal destinations on the Dalmatian Riviera. Then we'll discover a picturesque hidden inlet called Stiniva, where you can enjoy a delicious swim or just relax and sun bathe. After Stiniva, it's off to experience the world-renowned Blue Cave, whose ethereal silveryblue color is created by the sun as it bathes the inside of the cave through an opening in the roof and is reflected back by the sandy surface below. Widely regarded as one of the world's most beautiful natural phenomena, this cave is a mustsee. Our trip continues to the legendary island of Vis and the authentic fishing village of Komiža. We will have an hour of free time to explore this charming seaside hamlet before we take off to enjoy the Paklinski Islands. We'll stop at one of the archipelago's most popular bays, Vinogradišće at Palmižana, where you can have a seaside lunch at some of the best restaurants in the Adriatic! After lunch, you can swim, relax or even go dancing at the Laganini lounge club beach bar, a famous island hangout where Bono enjoyed THAT 10-course lunch!

## Day 10 :- Zagreb

Breakfast at the hotel. The old city of Dubrovnik has remained basically unchanged since the thirteenth century. Its medieval ramparts encircle the city which pedestrians can enter through one of two gates – either way, they find themselves joining the evening promenade Stradun which you can either join or watch, a drink in hand, from one of the various cafes and restaurants along the way. The city is alive with open air markets, artisans' shops and studios of artists, Baroque churches and Gothic-Renaissance palaces, unexpected courtyards, and covered loggias. In the summer, music fills the air as the internationally renowned Summer Festival reveals the magic of theatre, music and dance. In the fall and spring, the squeals of schoolchildren travel up and down the stone alleys and the younger generation discovers the unparalleled freedom of a city where no cars are allowed and the stone-faced houses and orange tiled roofs have remained unchanged for centuries.
