The surrounding basin covers over 2 500 000km² extending farther into Botswana, Namibia and South Africa and encroaching into parts of Angola, Zambia and Zimbabwe. It is part desert, part plateau. 19:30 pm Dinner at the Livingstone Room, Victoria Falls Hotel. **Dress: Smart Casual (strictly no safari-wear, shorts, sandals or sneakers)**

Plunging over the lip of the Victoria Falls is the largest body of falling water on earth. The mighty Zambezi, fourth longest river in Africa, is about 2kms wide above the falls and cascades dramatically over a precipice 1.6km in length and 108m at its deepest, compressing a vast volume of water into a chasm 50m wide. The sound can be deafening, the aspect magnificent and the memory indelible. In autumn the spray is so great it inhibits photography while in spring the seasonal flow considerably reduces leaving large slabs of brown basalt exposed on the lip.

19:30 pm Dinner is served. The train passes Baobab forests and descends the Rift Valley towards Mbeya. **Dress: Formal**

PLEASE PUT YOUR WATCHES FORWARD AN HOUR BEFORE RETIRING FOR THE EVENING. Chisimba Falls is a series of three waterfalls named Mutumuna, Kaela and Chishimba (Chisimba), which are separated over 300m along the Luombe River. According to Bemba tradition, the nature spirit "Chishimba" lives in a cave behind the falls therefore no bad behaviour (including fights, insults and arrogance) is allowed in this area.
