### Tour Itinerary

## Day 1 :- Launceston

You don't have to arrive early into Launceston, but we highly recommend you do. Time on your side? Walk the short distance to Cataract Gorge, home to the longest single-span chairlift in the world. It's quite the ride, taking you up high into this intensely beautiful, and spiritual, place. Otherwise, meet your Travel Director and fellow Tassie companions for a drink in the evening.

## Day 2 :- Launceston - Bicheno

Bridestowe is an assault on all your senses – in the best possible way. See the contoured rows contrasted against the rich red volcanic soils backdropped by the horizon-wide sky and when in flower (late Spring to early Summer) the rich purple tones add a whole other dimension. Then the musky aroma of the flowers, which has an instant calming effect. And the taste, beyond anything you ever imagined – try a lavender ice-cream, jams and teas, and thank us later. It's a tasty entrée to the Legerwood Carved Memorial Trees, sculpted into World War One soldiers. Come dusk in Bicheno, sign up to spot tuxedoed little penguins waddle to shore from the water. Touring Tasmania doesn't get any cuter than this.

### Optional Experiences:

#### a. Bicheno Penguins Tour

A penguin tour is the best way to see penguins up close and in their own natural habitat. The penguins are accustomed to our tour however our friendly, knowledgeable guides take extreme care not to disturb them from our multiple viewing areas.

Breakfast Dinner

## Day 3 :- Bicheno - Hobart

The colors at Freycinet National Park are so vivid you'll think someone has taken the glasses off your nose and cleaned them for the first time: The patchwork of ocean blues that lap Coles Bay. The dramatic pink granite cliffs. There's a reason why Freycinet adventures star on postcards. The other place on postcards is Richmond, its grand 1820s Georgian buildings today home to bijou boutiques, galleries and cafés that appear to be lost in time. Your last stop for the day is to the shores of the Derwent River where local palawa will welcome you to country and show off some local bush tucker.

Breakfast Dinner

## Day 4 :- Port Arthur Historic Site

Today is your chance to reset your body's natural rhythms with a morning dip in Katherine Hot Springs – because days are better when you begin them in thermal waters. These hot springs will have you relaxed in no time. Before venturing deep into Kakadu, you're poised for refreshments with a short stopover in the film-set-like town of Pine Creek, where buildings date to the heady gold rush days. In Kakadu, you'll take a guided walk to view ancient Aboriginal rock art at Burrungkuy (Nourlangie).

Breakfast Dinner
