Tour Description

Embark on a journey of discovery with Sedunia Travel! Experience unique destinations, local culture, delicious cuisine, and unforgettable adventures. Our expert planners will take care of everything. Book now!

Tour Itinerary

Day 1 :- Quito

Arrive at any time. Arrival transfer is included.

Day 2 :- Quito - Otavalo

Drive into the mountainous Andean highlands, stopping for lunch in the village of Peguche. Meet some of the local residents, and learn about the community's weaving traditions. Continue to Otavalo, surrounded by misty volcanoes, and visit the town's famous handicraft market—one of the largest outdoor markets in South America. Browse stalls selling colourful local art, textiles, and souvenirs, and try your hand at haggling. Later, settle into your room at a historic hacienda, where we'll spend the night.

Breakfast Lunch

Day 3 :- Otavalo - Papallacta

Make your way to the village of Papallacta, known for its abundant natural hot springs. En route, visit the home and studio of a renowned traditional weaver, who is working to preserve the indigenous weaving techniques of the Otavalo region. Get a glimpse of the family's daily life, and observe them at work on the backstrap loom, which has been used in these parts for centuries. Continue to the Papallacta Hot Springs Resort for an afternoon of relaxation. Soak in the mineral-rich waters of the thermal pools, enjoying stunning mountain views, and indulge in a variety of optional spa treatments.

Breakfast

Day 4 :- Papallacta - Tena

Head towards Tena, often called Ecuador's gateway to the Amazon. On the way, we'll stop at El Quetzal Protected Forest to explore the property's reserve—home to a plethora of avian species, including 8 varieties of hummingbirds. Enjoy lunch at the onsite restaurant, then continue to Misahualli. This charming town is one of the oldest ports in the Ecuadorian Amazon, and harbours a thriving population of Capuchin monkeys. Arrive in Tena and board a motorized canoe to our jungle lodge, perched along the banks of the Arajuno River. This evening, embark on a walk into the forest with a naturalist guide, looking out for the Amazon's nocturnal creatures.

Breakfast Lunch Dinner

Day 5 :- Tena

Depart early by canoe to visit a saladero, or a parrot clay lick. Alongside our naturalist guide, observe brightly coloured parrots and parakeets gather here to snack on the mineral-rich clay, which studies suggest aids in digestion and provides an important nutrient supplement. Return to the lodge for breakfast, then take a tour of AmaZONico, an animal rescue centre that rehabilitates wild creatures that have been victims of illegal trafficking. Later, we'll visit the home of a local Amazonian family for a unique cultural experience. Chat with your hosts about their traditions and beliefs and learn about everyday life in the jungle; then sit down to a delicious homemade lunch.

Breakfast Lunch Dinner

Day 6 :- Tena - Baños

Leave the Amazon behind and travel to Baños. This popular resort town is packed with gorgeous landscapes, thrilling outdoor activities, and—as the name indicates—thermal springs originating from the base of the Tungurahua Volcano. Along the way, stop at Jardín Botánico Las Orquídeas for a walk with an expert guide, discovering the diverse flora of the region and learning about the indigenous uses of the various plants found there. After arriving in Baños, enjoy free time to stroll through the town.

Breakfast

Day 7 :- Baños

The day is yours to explore Baños and the surrounding area. Choose to head to the mountains for an invigorating hike, and later soak your tired muscles in one of the town's thermal springs. Set off on a mountain biking adventure, pedaling past rivers, waterfalls, and delightfully green landscapes; opt to hit the rapids on a white-water rafting excursion; and much more.

Breakfast

Day 8 :- Baños - Quito

Drive back to Quito, Ecuador's capital, along the spectacular Avenue of Volcanoes. En route, we'll venture through Cotopaxi National Park—home to the snowcapped Cotopaxi Volcano, the second highest peak in the country. As you explore this magnificent park, keep an eye out for the resident wildlife, which ranges from condors, foxes, and deer to the vicuña and the endangered Andean puma.

Breakfast

Day 9 :- Depart Quito

Depart at any time.
