Day 2 :- KARLSKRONA

Discover Karlskrona on the southern coast of Sweden, between land and sea, spread over the small islands of the Blekinge archipelago. Its strategic position on the Baltic Sea made it the headquarters of the Swedish Royal Navy and its naval dockyard on the orders of Karl XI of Sweden, in 1680. Constructed from nothing, the citadel has kept its architecture, whose coherence and conservation have earned its listing as a UNESCO World Heritage Site. Its authentic colourful wooden houses facing the sea – which is never too far away – and its rich naval history give it an exquisite and unique charm. Do not miss this visit.

Day 3 :- GDANSK

This ravishing city on the Baltic sea is nicknamed “the golden door of Poland”, and you'll understand why when you see its beautiful Hanseatic architecture. You'll be charmed by the mouldings and gables that enhance the colourful façades of the houses. Along the Vistula Quays, you can take a pleasant stroll among the crafts shops. In elegant Mariacka street, the amber jewellers will most certainly tempt you into their boutiques. You can visit the church of Saint-Mary and its astronomic clock. Not far, the majestic Long Market square offers the famous Artus Court and the rich Gdansk History Museum.

Day 4 :- AT SEA

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

Breakfast Lunch Dinner

Day 5 :- Riga

At the place where East meets West on the edge of the Baltic Sea, Riga, the capital of Latvia, will charm you with its contrasts. Although it is one of the oldest cities in the Baltic states, with a unique atmosphere that is imbued with the memory of its medieval past, Riga is tangibly dynamic and modern. As you stroll through its old town, you will enjoy its exceptional architecture, its cathedrals, the remaining old walls and the typical narrow streets. Nicknamed “the Paris of the North” in the 1930s, this cosmopolitan city boasts a rich heritage.

Day 6 :- SAAREMAA

Welcome to Estonia's largest island, Saaremaa, with its age-old history and mysterious charm. Located in the Baltic Sea, it closes off the Gulf of Riga. The episcopal castle, a medieval fortress and preserved witness of the rich history of the Baltic States, stands proudly on the island's capital, Kuressaare. The island's soils and mild climate give it abundant and diverse nature, where forests, cliffs, dunes and beaches flourish, becoming a haven for thousands of migratory birds every year. The island offers many treasures, between wild nature reserves, meteor craters and windmills.

Day 7 :- HELSINKI

Seated in the southern peninsula of Finland, Helsinki offers the buzz of a cosmopolitan city that has opted for both elegance and modernity. Explore its historical centre where the soft hues of neoclassical buildings are juxtaposed with spectacular modern constructions. The bustling Kallio district is teeming with boutiques and restaurants where you can taste some local specialities like graavilohi – a sweet marinated, aromatic salmon dish. Keskuspuisto park, a stone's throw from the centre, is a good place to sit and unwind.

Day 8 :- TALLINN

Opening onto the Baltic sea, to the far north of Estonia, the town of Tallin will win you over with the picturesque charm of its architecture. You can meander through its little streets in the heart of the medieval centre where its gothic town hall has been standing since 1404. Kiek in de K ok tower, the Orthodox Alexander Nevski cathedral, or Toompea castle give visitors a taste of this town's rich past. The town was particularly active during the medieval period, as is demonstrated by the very beautiful monuments from this period that are still visible. Don't hesitate to lose yourself in the heart of Tallinn, listed as a UNESCO World Heritage Site.
