### Tour Description

Embark on a journey of discovery with Sedunia Travel! Experience unique destinations, local culture, delicious cuisine, and unforgettable adventures. Our expert planners will take care of everything. Book now!

### Tour Itinerary

## **Day 1 :- Tokyo (Yokohama), Japan**

Yokohama and Edo began life as sleepy fishing villages. That changed in the early 17th century after Tokugawa Ieyasu became Shogun. Edo became the center of political power in Japan, a position the city retained even after the restoration of Imperial rule in 1866. With the Meiji Restoration of 1868, Edo was renamed Tokyo, the “Eastern Capital,” to distinguish it from the old imperial capital at Kyoto, the “Western Capital.”

## **Day 2 :- At Sea**

There have some onboard experience to enjoy.

## **Day 3 :- Hiroshima, Japan**

On August 6, 1945, human history was irrevocably altered when the American bomber Enola Gay dropped an atomic bomb on Hiroshima. The bomb was code-named “Little Boy,” but its detonation left half the city in ruins and aflame. Today, Hiroshima is a monument not only to the destructive forces harnessed by men but also to the indomitable will of the human spirit to overcome tragedy. At the heart of the city lies Peace Memorial Park and the Atomic Bomb Dome. The gutted walls of the city’s old Industry Promotion Hall and the skeletal frame that supported its copper dome, vaporized in the blast, are instantly recognizable symbols of Hiroshima.

## **Day 4 :- Kanmon Straits, Japan**

There have some onboard experience to enjoy.

## **Day 5 :- Busan, South Korea**

The second largest city in South Korea, Busan is your gateway to a fascinating land whose culture is a unique amalgam of old and new. Modern high-rise towers dwarf ancient Buddhist temples. The city’s bustling business district offers a stark contrast to the serene grounds of Yongdusan Park. In short, Busan is a microcosm of South Korea, a nation whose startling economic success often obscures one of Asia’s most sophisticated and venerable cultures.

## **Day 6 :- Nagasaki, Japan**

For most travelers, Nagasaki is a symbol of the horror and the inhumanity of war. An estimated 75,000 people perished in 1945 when the city became the second target of a nuclear attack. Today, Nagasaki’s Peace Park and Atomic Bomb Museum draw visitors from around the world. But this beautiful city on Kyushu offers other sights. Often described as the San Francisco of Japan, the city occupies verdant hills surrounded by a deep-water bay. For three centuries, Nagasaki was Japan’s sole window on the world. The city is also celebrated as the setting for Puccini’s opera “Madame Butterfly.”

## **Day 7 :- Kagoshima, Japan**

From the 12th century to the Meiji Restoration of 1868, Kagoshima was the chief stronghold of the mighty Shimazu clan. The city lies at the top of the Satsuma Peninsula, a mountainous, geothermal wonderland of hot springs and geysers. The area is also rich in modern Japanese history: Saigo Takamori and the Satsuma samurai were leaders of the Meiji Restoration that toppled the shogun and restored the Emperor to power in 1868. In 1877, dissatisfied with the direction of the new government, Saigo led the Satsuma Rebellion, which ended in his death and the final defeat of the samurai. The symbol of Kagoshima is Sakura Jima – the volcanic island that sits just offshore. The volcano has erupted over 30 times in recorded history.

## **Day 8 :- Matsuyama, Japan**

Matsuyama, Japan, is a peaceful haven where you can indulge in the healing waters of hot springs, satisfy your sweet tooth with amazing Japanese confections, and discover the area’s rich literary tradition. The largest city on the island of Shikoku, Matsuyama developed around its celebrated 17th-century castle. Lined with cherry trees, this extensive fortress is a museum of historic relics from weaponry to armor, calligraphy and art. It also offers phenomenal views of the city and the Seto Inland Sea from its hilltop perch. Another city hotspot is Dogo Onsen, Japan’s oldest hot springs

## **Day 9 :- Kochi, Japan**

Kochi sits on the broad alluvial plain facing Urado Bay. This city in Shikoku takes its name from the great feudal castle that sits at its very heart. Completed in 1611, Kochi Castle was the seat of Yamauchi Kazutoyo, a noted warrior who supported Tokugawa Ieyasu in his successful quest to become Shogun. Tosa Province and Kochi Castle were Yamauchi’s reward for faithful service. There is an historical irony here: 250 years later, a Kochi native son – a former low-ranked samurai and now ronin named Sakamoto Ryoma – played a pivotal role in bringing the Tokugawa Shogunate to an end and restoring the Emperor of Japan to political prominence. The prize once awarded for faithful service had become a hotbed of support for the Meiji Restoration.

Day 10 :- Kobe, Japan

Kobe is the fifth-largest city in Japan and is the capital city of Hyogo Prefecture on the southern side of the main island of Honshu. Its name comes from “kanbe”, an archaic title for supporters of the city’s Ikuta Shrine. With a population of about 1.5 million, the city is part of the Keihanshin (Keihanshin) metropolitan area along with Osaka and Kyoto. The earliest written records regarding the region come from the Nihon Shoki, which describes the founding of the Ikuta Shrine by Empress Jingu in AD 201. For most of its history the area was never a single political entity, even during the Tokugawa Period, when the port was controlled directly by the Tokugawa Shogunate. Kobe did not exist in its current form until its founding in 1889.

Day 11 :- Shimizu (for Mt. Fuji), Japan

A mesmerizing landscape, a revered cultural history, and Japan’s most sacred volcano are just a few of the many delights beckoning you to come and explore this ancient city. While Shimizu may have the reputation as being bustling and modern, its cultural and spiritual side is on display in the form of ancient and enthralling shrines. Of course, it may be the sacred and snow-capped Mount Fuji that garners the most attention. Towering over the region at approximately 12,388 feet above sea level, the active volcano, designated a “place and source of artistic inspiration” by UNESCO is just one of the many unforgettable adventures Shimizu inspires.

Day 12 :- Tokyo (Yokohama), Japan

Yokohama and Edo began life as sleepy fishing villages. That changed in the early 17th century after Tokugawa Ieyasu became Shogun. Edo became the center of political power in Japan, a position the city retained even after the restoration of Imperial rule in 1866. Contemporary Tokyo may be the most astonishing city on earth. It’s a paradoxical mix of ancient tradition and postmodern culture. The Ginza – an international shopping mecca – stands near the serene grounds of the Imperial Palace, and the hyper-speed of 21st century consumerism is mysteriously reconciled with the elegance and serenity of traditional culture. Tokyo provides the traveler with a dizzying experience.

Tour Prices

Departure Dates	Interior Stateroom	Oceanview Stateroom	Balcony Stateroom	Mini-Suite Stateroom	-
25 March - 05 April 2025	RM 14,645	RM 20,785	RM 24,565	FULLY BOOKED	-
