Enjoy the slow pace with an afternoon at leisure exploring this quaint seaside town. This evening, enjoy dinner at the hotel with your travelling companions.

Day 2 :- Kangaroo Island Sightseeing

After a leisurely breakfast, your Kangaroo Island adventure begins with a visit to Cape Willoughby Conservation Park, home to South Australia's oldest operational lighthouse. Explore the visitor center & museum to learn about the rich maritime history before taking a walk around the lighthouse and enjoying the panoramic views of Cape Willoughby. Next, you'll discover the history of Kangaroo Island Wool as you embark on a unique and captivating 45-minute journey through time on a working mill tour. Begin with an unforgettable cinematic experience within Australia's only 9-metre Igloo Dome, where you'll be transported to the heart of Kangaroo Island. Discover the fascinating story of the island's wool industry, from its early settlers to the present-day wool farmers who have shaped its rich heritage. Meet the people who have played a crucial role in shaping Kangaroo Island's wool legacy and gain a deeper understanding of the island's history and culture. Working up a thirst, your final stop of the day is to meet Mike, your host at Kangaroo Island Brewery. This is no ordinary brew-house – Mike makes all his beers using rainwater he collects from the roof of his shed. Try a paddle of his liquid gold, or sip wine or cider while chatting with your affable host.

Breakfast

Day 3 :- Kangaroo Island

Today mingles wilderness, wildlife and wonderful food in equal measure. Your outlook begins on a high at the Remarkable Rocks. Formed some 500 million years ago, the precariously balanced, rust-hued granite boulders cut a dramatic form against the inky blue of the Southern Ocean and silvery shrubs that cover the countryside. Your outlook is just as wild at Admirals Arch, a natural rock formation within Flinders Chase National Park, and a popular hangout for cacophonous New Zealand fur seals. The colony loll about on just about every surface you can see. They're petite compared to the creatures found at Seal Bay Conservation Park, where playful seals tumble down the sand to splash about in the water – metres from where you stand. And on to that food and drink. After a two-course lunch at Vivonne Bay Bistro, Peter at Island Beehive will dish up samples of the honey (and delicious honey icecream) he makes here using Ligurian bees. They're found on KI, and nowhere else in Australia. Meanwhile, the owners of Islander Estate Vineyard will pour you a glass or two and talk through the production of their wines.

Day 4 :- Kangaroo Island - Depart Adelaide

Before you leave the island, follow your nose to Emu Ridge Eucalyptus Distillery. If Australia was an aroma, this would be it. Here you'll take a guided tour and learn about the distillation process and how eucalyptus oil is extracted from the native Kangaroo Island Narrow Leaf Mallee. Visit the farmgate shop and pick up essential oils, body creams, sweets, honey and soaps, and taste some of the island's best cider. Then bliss out knowing that anything you eat or use not only tastes and smells great but also has therapeutic properties. Back on the mainland, travel through the picturesque Fleurieu Peninsula with its rolling vineyards, pristine beaches, and charming towns. Returning to the city, bags a few kilos heavier thanks to all that honey, wine and eucalyptus, it's time to bid farewell to Adelaide and Australia's second largest (but perhaps most beguiling) island. Your tour concludes at 3.30pm back in Remarkable Adelaide.
