### **Tour Itinerary**

## Day 1 :- Perth

The vibrant Western Australian capital has a lot to offer. It's remarkably green, with 400-hectare Kings Park and Botanic Garden sitting pretty in the CBD. Two thirds of the grounds are reserved for native plants. Take a stroll through the park with your Travel Director and meet up again this evening for a Welcome Dinner.

Dinner

## Day 2 :- Perth - Geraldton

It's time to go north to Yanchep National Park. Here, on a MAKE TRAVEL MATTER® Experience, your Aboriginal guide's Dreamtime stories tell the tale of how the land was created. This tour is hands-on, so expect to taste bush tucker and try playing the didgeridoo. Can the day couldn't get any better? Within Nambung National Park, the Pinnacles create a moonscape that appears plucked from a sci-fi movie. Its staggering collection of natural limestone structures jutting into the sky. Arriving in Geraldton, pay homage to sailors lost off the West coast during WWII at the HMAS Sydney Memorial.

Breakfast

## Day 3 :- Geraldton - Monkey Mia

Arriving at Kalbarri National Park, enjoy spectacular views from the Kalbarri Skywalk over the Murchison River Gorge. If you're here during wildflower season, expect acacia, banksia and caladenia in full bloom. And just when you thought the outlook couldn't get any better, you arrive at Monkey Mia.

Breakfast Dinner

## Day 4 :- Monkey Mia Free Time

Sparkling turquoise water, powdery white sand, ochre dunes – Monkey Mia knows how to dial up the drama. And then there are the resident dolphins, which famously swim to shore every morning to splash about in the shallows and mingle with humans. It's a hard follow. Perhaps choose a sunset cruise, or get some perspective of the bay on a scenic flight (both own expense). The afternoon is yours.

Breakfast

## Day 5 :- Monkey Mia - Carnarvon

The state's World Heritage listed Shark Bay is also characterised by Shell Beach, formed by billions of coquina bivalve shells. Your port of call is the Carnarvon Space and Technology Museum. Did you know it played a role in the 1969 moon landing? Just one of the fascinating facts you'll learn from your passionate guide. The experience is interactive, so budding astronauts can opt to try on space suits and climb aboard a spacecraft simulator.

Breakfast Dinner

## Day 6 :- Carnarvon - Exmouth

A Coral Bay glass-bottom boat cruise gets you within a whisker of turtles, colourful coral and an embarrassment of fish. You won't know where to look, although your on-board naturalist will help guide your gaze. This is part of the World Heritage listed Ningaloo Coast, a popular hangout for larger-than-life migratory marine life including whale sharks and humpbacks. Before you settle into your plush Exmouth hotel, admire the curves of the coastline from Vlamingh Head Lighthouse.

Breakfast Dinner

## Day 7 :- Exmouth Free Time

Steel yourself for a few 'pinch-me' moments today. Opt to snorkel (with an ethical operator) over Ningaloo Reef. Time of year permitting, you may have whale sharks and possibly humpback whales in your company. Nothing quite prepares you for the initial moment you glimpse these gentle giants up close. Or spend your day strolling the sand and cruising with dolphins at sunset. The choice is yours.

Breakfast Dinner

## Day 8 :- Exmouth - Karratha

Take one last look over the Exmouth waters before continuing north to Western Australia's famous Pilbara region. Known for its rich cultural landscape, red earth and vast mineral deposits, the region's diverse landscape will fascinate you.

Breakfast Dinner

## Day 9 :- Karratha - Karijini National Park - Tom Price

It took billions of years to create the geological wonders of Karijini: the striking red escarpments and the quiet gorges all enveloped by gum trees. You have a single day to explore, so bring your stamina and sense of adventure. You're heading deep into the national park, discovering hidden nooks and waterholes just begging you to swim in them.

Breakfast Lunch Dinner

## Day 10 :- Tom Price - Port Hedland

At first glimpse of the Pilbara, you may well think you've been transported to Mars. The soil couldn't get any redder, the skies any whiter, the rock formations any more dramatic, much of the countryside streaked with mineral deposits. People are few and far between until you reach the town of Port Hedland.

Breakfast Dinner

## Day 11 :- Port Hedland - Broome

Skirting the edge of the Great Sandy Desert, your morning outlook is flat – almost as far as the eye can see, the sand eventually gives way to mountain ranges, and then multicultural Broome. This city delivers many surprises, from its eclectic restaurants to its long pearl history – the pristine waters produce some of the most prized pearl oysters in the world. The other standout attraction here happens at sunset. Follow locals to the sand on Cable Beach and salute your arrival in Broome.

Breakfast Dinner

## Day 12 :- Broome Free Time

Head north deep into the Kimberley on an optional experience where the Horizontal Falls reveals the power of nature. Get some perspective of the tides here on a scenic flight, then feel the force of the water on a heart-starting cruise across the rapids. Or veer off to a pearl farm to witness the precision that goes into growing and harvesting these gems. Or simply enjoy Broome's tropical climes, stroll along 22-kilometre Cable Beach, hunting for dinosaur footprints and browsing boutiques.

Breakfast

## Day 13 :- Depart Broome

How do you pick a favourite adventure from the last 13 days? You don't have to – let them all shine in equal measure in your memories.
