Arrive in Ushuaia, Argentina – the world's southernmost city. Explore this vibrant Patagonian city, or stretch your legs in the surrounding forests. Alternatively, consider a day trip off the beaten path into the raw nature of Tierra del Fuego. The island of Tierra del Fuego is a hiker's paradise with rugged snow-capped mountains, glaciers, flower-filled meadows and rich boggy wetlands. In the afternoon, we board our vessel, waiting to welcome us in port.

## **Day 6 :- At Sea - Crossing The Drake Passage Southbound**

Sailing onward, we cross the famed Drake Passage – the body of water separating Patagonia and the Antarctic Peninsula. The Drake Passage is known for rollicking conditions and strong westerly winds, nicknamed the Roaring Fifties. While this passage may be challenging, you can rest comfortably aboard our expedition vessels, which are purpose-built with stabilizers, powerful engines and manned by a highly-qualified crew. The most spirited sailors consider Drake Passage a lifetime achievement – and you will complete crossing twice!

## **Day 7 :- At Sea - Crossing The Drake Passage Southbound**

Our days in the Drake Passage will be put to good use preparing for our arrival in Antarctica – your Expedition Leader will brief you comprehensively on how to stay safe and minimise your impact on this precious wilderness, as well as briefing you thoroughly on our plans for our time spent exploring, including hints and tips for wildlife watching. Our dedicated Expedition Team will assist you to biosecure your clothing and equipment (a vital process to protect Antarctica's delicate ecology), as well as sharing tailored lectures on Antarctic exploration history, wildlife, geology, glaciology and more!

## **Day 8 :- South Shetland Islands & The Antarctic Peninsula**

Next in Antarctica we this voyage offers adventurous travellers the chance to experience Antarctica as it was meant to be – flowing with the wind, sea and ice, and taking the best opportunities Mother Nature provides. This voyage departs in the first half of the brief Antarctic summer, when sea ice is at its maximum – this offers us ample opportunities to explore in the icy wilderness of the last continent.

## **Day 9 :- South Shetland Islands & The Antarctic Peninsula**

Our exact route will be subject to careful planning by the Expedition Leader and Captain – however we will aim to visit a range of sites which showcase the best of this staggeringly beautiful region. And Marvel at the massive icebergs and vast glaciers on a Zodiac cruise to Paradise Bay. Be moved by penguins tenderly caring for their precious eggs, and fiercely defending their nests on Cuverville Island.

## **Day 10 :- South Shetland Islands & The Antarctic Peninsula**

Furthermore, Watch cataracts of ice tumble into clear blue ocean on a hike over the active glaciers of Neko Harbour. Experience the Antarctica of old at historic huts such as Damoy Point, lovingly restored and open to all. Feel the spray of water from the blow of a humpback whale on a Zodiac safari in Wilhelmina Bay.

## **Day 11 :- South Shetland Islands & The Antarctic Peninsula**

Wonder at awe-inspiring scenery on a ship cruise through the Lemaire Channel. Watch city-sized tabular icebergs drift silently past your ship in the Antarctic Sound. Wherever we go on the Antarctic Peninsula, endemic wildlife, tantalising history and breathtaking natural beauty abound. This time of year, expect to see penguins carefully constructing their pebble nests and fiercely defending their precious eggs from hungry skuas and Giant Petrels. The start of the Antarctic summer also sees the return

## **Day 12 :- At Sea - Crossing The Drake Passage Northbound**

We eventually depart Antarctica, and spend two days at sea on our way northwards back across the infamous Drake Passage towards the more welcoming shores of the Beagle Channel and Ushuaia, Argentina.

## **Day 13 :- At Sea - Crossing The Drake Passage Northbound**

## **Day 14 :- Back to Ushuaia and disembarkation**

On the morning of the final day of our voyage, we will arrive back at the pier of Ushuaia, Argentina. Trees, grass and a busy city may seem strange to you after the white wilderness of Antarctica!
