Tour Itinerary

Day 1 :- KANGERLUSSUAQ

From 1941 to 1992, the town of **Kangerlussuaq** in Greenland was home to an American military base. Nowadays, thanks to its international airport, it has become a transit point for travellers seeking adventure in the Far North. Located to the north of the Arctic Circle, this town is the starting point of magnificent discoveries surrounded by **unspoiled nature**. Indeed, just a few dozen kilometres from there it is possible to get close to the Greenland ice sheet, the largest **body of ice in the Northern Hemisphere**. From Kangerlussuaq, admire also the superb landscapes of tundra in autumnal colours, where Arctic hares, musk oxen, Arctic foxes, reindeer, falcons and eagles live.

Breakfast

Day 2 :- SISIMIUT

During your cruise, we invite you to discover **Sisimiut**, founded in 1756 and the second largest town in Greenland. This small town is typical of Greenland, boasting bewitching panoramas: here and there, **colourful stilt houses** dot the **undulating landscape**, and the small fishing port stands as the gateway to an icy realm. As for the town centre, it is home to a number of historic buildings, a small church and a museum which retraces the history of the Inuit people, as well as many craft shops. When your ship drops anchor here, you will set out to meet the locals in a typically arctic atmosphere.

Breakfast Lunch Dinner

Day 3 :- QEQERTARSUAQ

On the southern coast of **Disko Island**, Qeqertarsuaq is one of just two small villages on this island **the size of Corsica**. Its isolation makes it an observation post popular among naturalists since the beginning of polar exploration and the set-up, in 1906, of the Arctic Centre research facility. During a zodiac cruise you will have the chance to explore the natural wonders of Greenland, meet its wildlife such as the humpback whale and contemplate the basaltic organ landscapes that offer pure moments of wonder for you. In the heart of this spectacular and fragile nature, enjoy the breath-taking views of the grandiose and varied landscapes of Disko Island and Disko Bay.

Day 4 :- PAUL -EMILE VICTOR BASE CAMP,EQI GLACIER

The most beautiful place in the Arctic” is how Paul-Émile Victor described Greenland, a land of great icebergs and of towering ice formations calved by the giant glaciers of the polar ice cap. **The Eqi Glacier** is one of the region’s most impressive sights. Here, the silence is broken only by the roaring and cracking of the ice. It is impossible to know if one is shivering from cold or from the sheer thrill of being here... Imagine the vast outline of a glacier, its **translucent crystals** glowing with an ice-blue fire in the sunlight. Paul-Émile **Victor’s shelter** cannot be overlooked; it was from here that the French Polar Expeditions’ anthropological and geographic explorations set off in the 1950s.

Breakfast Lunch Dinner

Day 5 :- AKULLEQ - UUMANNAQ

In the curve of Uummannaq Bay, opposite a narrow passage between two islands, you will discover the **moonscape** of the small desert island of Akulleq. The **ochre yellow and orange** of this mineral site look ablaze under the sunshine of the polar summer. From the island’s summit you will be able to contemplate a panoramic view of the bay’s magical landscape and its huge icebergs with surprising shapes.

Breakfast Lunch Dinner

Day 6 :- DISKO BAY

To the east of Baffin Bay, discover **Disko Bay**, scattered with countless icebergs produced by the Ilulissat Icefjord, a **UNESCO World Heritage Site**. From your ship, admire the majestic ballet of these ice giants as they slowly drift across the dark waters. This site is a natural marvel of Greenland, and is also renowned as an observation point for the region’s many humpback whales. The encounters with wild fauna and stunning landscapes in the heart of this spectacular and fragile nature will be pure moments of wonder for you.

Breakfast Lunch Dinner

Day 7 :- EVIGHEDSFJORDEN

Your ship glides slowly along the water towards the west coast of Greenland, to enter **Evighedsfjorden**, just a few kilometres south of Kangerlussuaq. Evighedsfjorden means “**the fjord of Eternity**”, and for good reason: just when you think you've reached the end of this stretch of sea measuring over 100 kilometres in length, it seems to go on forever, as though to bring even more pleasure to those sailing in it. The spectacular scenery ranges from glaciers to **tundra** with an abundant flora, and jagged cliffs where **numerous bird species** have taken up residence. Take the time to observe the white-tailed eagles and the colonies of seagulls and black-legged kittiwakes flying overhead in the area.

Breakfast Lunch Dinner

Day 8 :- KANGERLUSSUAQ

From 1941 to 1992, the town of **Kangerlussuaq** in Greenland was home to an American military base.
