Our first port of call is Panormitis, site of the renowned, homonymous monastery. A 50 minutes stay is foreseen, during which one has the opportunity of visiting the monastery's chapel and premises, admiring the exquisite Byzantine hagiographies and wood-carved screen. Noon will find you at the port of Symi. During the three-hour stay you will be given the opportunity to discover this delightful, venetian-looking settlement that amazed you already as the boat slowly sailed in the bay!
