Day 5 :- Banff National Park

After an orientation tour, today is at leisure. Hike the many wilderness trails in the area, stroll through Banff townsite, or simply relax at the hot springs. Banff National Park is the perfect place for photographers and wildlife watching, and as a visitor you may be lucky enough to encounter some of these amazing creatures, like elk, deer, or big-horn sheep, in their natural habitat. Perhaps elevate your experience with an optional helicopter ride over the awe-inspiring Canadian Rockies – a once-in-a-lifetime experience you won't soon forget!

Day 6 :- Banff National Park - Lake Louise - Columbia Icefield - Jasper National Park

Enjoy a day of scenic grandeur. First visit famous Lake Louise, where green-blue waters create a perfect reflection of the surrounding mountains. Then travel the stunning Icefields Parkway where you'll stop to ride the Ice Explorer all-terrain vehicle over ice that's 750 feet thick! This afternoon, take the opportunity to glide down the Athabasca River on an optional scenic float trip. Enjoy an orientation tour of the town of Jasper upon arrival.

Day 7 :- Jasper National Park - Mount Robson - Sun Peaks

Start your day with a magical optional cruise on Maligne Lake to the much-photographed, Spirit Island*. Then travel to the base of 12,972-foot Mount Robson, the highest peak in the Canadian Rockies. Continue through British Columbia's Fur Trade and Cariboo regions for glimpses of the soaring granite mountains. Watch for wildlife as you continue to the internationally renowned Sun Peaks ski resort for an overnight stay.

*This optional excursion begins operating in late May/early June.

Day 8 :- Sun Peaks - Lillooet - Whistler

Head south, following the once-treacherous Cariboo Wagon Trail. From Lillooet, "Mile 0 of the Gold Rush Route," you'll follow the rushing waters of Cayoosh Creek en route to the resort town of Whistler, with an afternoon arrival and orientation.

Day 9 :- Whistler

Today is at leisure to explore this lively mountain resort town on your own. Choose to soar to new heights on an optional Peak 2 Peak Gondola ride which spans the distance between Whistler and Blackcomb Mountains and is the world's longest unsupported span for a lift of this kind. Or if you'd prefer staying closer to the ground, perhaps take an optional excursion to the Squamish Lil'wat Cultural Centre, a First Nations Museum and Art Gallery, for an authentic Indigenous experience.

*Operation of the Peak 2 Peak Gondola is seasonal and may not be available on early departures.

Day 10 :- Whistler - Ferry Crossing - Victoria

Set sail across the Strait of Georgia to Vancouver Island. In Victoria, sightseeing includes a visit to gorgeous Butchart Gardens and their 55 acres of floral displays, and seeing the Empress Hotel, Legislative Buildings, Bastion Square, and Thunderbird Park. In your free time this evening, perhaps take a stroll along the scenic harbour front.

Day 11 :- Victoria

A day at leisure gives you the chance to have high tea at the Empress Hotel, go shopping on Government Street, or have lunch in one of the many pubs. Your Tour Director will have suggestions for additional sightseeing. Or take home a whale of a tale by embarking on an optional Marine Wildlife and Whale Watching Expedition where you'll cruise the beautiful waters of the San Juan and Gulf Islands, looking for whales, porpoises, seals, and eagles.

Day 12 :- Victoria - Vancouver (Embarkation)

Board the ferry this morning and head back to the mainland where you will say goodbye to your Tour Director upon transferring to your cruise ship for a 7-night voyage through the famed Inside Passage. Your package price includes Holland America's 'Have It All Premium Cruise Package.'

Day 13 :- Scenic Cruising: Inside Passage

Day 14 :- Juneau

Located at the foot of grand mountain peaks on Gastineau Channel, Alaska's capital city of Juneau has massive Mendenhall Glacier and the Juneau Icefield at its back door. Visit the rustic shops in town—or get out and kayak, raft, hike, whale watch, flightsee, or fish. There is no end to the adventure because of the long daylight hours.

Breakfast Lunch Dinner

Day 15 :- Skagway

Skagway is historically considered the gateway to the Gold Rush of 1898 when thousands of men with dreams of striking it rich poured into the city and withstood treacherous winter conditions traveling on to the Yukon Territory. Explore gold rush lore at the Trail of '98 Museum or at the Red Onion Saloon, with its treasure trove of memorabilia featuring pictures of Klondike Kate, Peahull Annie, and other historic characters. Or simply walk on the boardwalks along the dirt streets and enjoy perusing all the shops.

Day 16 :- Scenic Cruising: Glacier Bay

Glacier Bay has more actively calving tidewater glaciers than any place else in the world. How does it feel when a colossal chunk of ice splits off a glacier and crashes into the sea? The sound is like thunder and the impact shoots water hundreds of meters into the air. You hold your breath as you capture the moment on camera, then wait for it to happen again!

Breakfast Lunch Dinner

Day 17 :- Ketchikan

Alaska's "First City" of Ketchikan is so named because it is the first major landfall for most cruisers as they enter the picturesque fjords of the Inside Passage, where the town clings to the banks of the Tongass Narrows, flanked by green forests nurtured by abundant rain. An important hub of the salmon-fishing and -packing industries, visitors can try their luck on a sport-fishing excursion or simply savor the fresh seafood at one of the local restaurants. It is also one of the best spots along the Inside Passage to explore the rich cultural sights of Native Alaskan nations like the Tlingit, Haida and Tsimshian.

Day 18 :- Scenic Cruising: Inside Passage

Arguably one of the greatest cruising routes in the world, the Inside Passage stretches through stunning landscapes, from Misty Fjords National Monument to famed Glacier Bay National Park & Preserve.
