## Day 1 :- Launceston

Welcome to Australia's smallest state, fascinating Tasmania! (Flights to arrive prior to 4.30pm). Arriving early? Why not kick off your trip along the east coast of the island in Launceston and get to know the city and surrounds exploring the beautifully preserved historic cityscape, Victorian architecture, and century-old parks. See colonial paintings and the extensive zoology, botany, and geology collections at the Queen Victoria Museum and Art Gallery. Then kick back and indulge in the city's vibrant culinary scene at one of its riverside restaurants. Or, dive into nature at Cataract Gorge exploring its hiking trails and suspension bridge, jumping in its swimming pool, or enjoying the views from the world's longest single span chairlift. This evening, meet your Travel Director and companions before embarking on your journey tomorrow along Tasmania's glorious east.

## Day 2 :- Launceston - Bicheno

Begin your day breathing in the scent of lavender on a decadent, sensory experience at Bridestowe Lavender Estate, producer of high-quality lavender since 1922. On your tour with a Local Specialist discover the farm that produces one of the only single flower honeys in the world and watch the oil extraction process that dates back to the 1920s – paying tribute to the farm's inspiration from the lavender fields of southern France. Treat yourself to a homemade lavender ice cream, when in season, stroll the fragrant fields, and time-travel viewing vintage memorabilia in the Old Tractor Shed. Continue to Legerwood Carved Memorial Trees site, a tribute to the brave Tasmania soldiers who lost their lives in World War I, to stroll along the avenue of trees and delve into the role the ANZAC soldiers played at Gallipoli. Spend lunchtime in St. Helens before following the picturesque East Coast to Bicheno. Tonight, take a short walk down to the water's edge to view Little Penguins in their natural environment.

## Day 3 :- Bicheno - Triabunna

Sure to be a highlight of your Tasmanian getaway and the best way to view the area, you'll take to the water for a four-hour cruise around the breathtaking Freycinet Peninsula. Your Local Specialist knows all the best places to spot wildlife as they take you from the gentle shores of Coles Bay past waterfalls, sea caves, towering pink granite cliffs, beaches fringed by dense bush, and through the inner passage of remote Schouten Island – home to penguins and short tailed shearwaters. You'll then pull into the pristine waters of Wineglass Bay lined by white sand, where you'll anchor for a ploughman's lunch. This MAKE TRAVEL MATTER® Experience contributes to wildlife preservation. Soak in the peaceful scenery while learning about and keeping on wildlife watch for sea eagles, pods of bow-surfing dolphins, cormorants, seals lazing on granite boulders, and even migrating humpback and Southern Right whales breaching on the turquoise waters. Back on dry land, drive through dry eucalypt forests to Cape Tourville where you'll stretch your legs and take in the views of blue water and golden beaches. Pass through the seaside towns of Swansea and Triabunna before arriving at your hotel overlooking stunning Maria Island.

## Day 4 :- Triabunna - Sorell

This morning, the GPS is set for the historic township of Richmond; explore the convict-built goal and bridge or browse the quaint boutique shops in town. Next, visit Risdon Cove for one of our MAKE TRAVEL MATTER® Experiences. Kipli Takara (meaning food walk) is an immersive experience where you are invited to walk the culturally rich landscape with palawa (Tasmanian Aboriginal) guides across this abundant natural pantry that was returned to Tasmanian Aboriginal ownership in 1995. You will be treated to a guided walk of this unique property, hearing about the history and current story of the area. Along the way you can taste the native bush tucker currently in season and get a first-hand glimpse into how palawa continue to enjoy cultural foods and undertake culturally centred land management across lutruwita/Tasmania. This experience includes a unique tasting of local, native flavours.

Now, want to disconnect from technology, and reconnect with Mother Nature? You've come to the right place. To the northeast of Hobart near Sorell, Iron Creek Bay Farm comes with seclusion and style to spare. This is your base for the night, and what calming treasures await. This working farm features a range of design-driven accommodation, all enveloped by 70 hectares of orchards growing cherries, apricots, apples and grapes. You're invited to pick fruits during your stay, whether on your own or during a guided tour – while you wander the grounds, you'll likely meet resident geese, turkeys, ducks, chickens, sheep, alpacas, horses and white-bellied sea eagles. The food here heroes Tassie produce in all its glory, whether it's local seafood or from the surrounding farmland, it doesn't get any fresher than this.

Breakfast Lunch Dinner

## Day 5 :- Sorell - Hobart

Today's travels see you Dive Into Culture, taking you through Tasmania's history at Port Arthur Historic Site with a Local Specialist. You'll cross Eaglehawk Neck to the Tasman Peninsula where we hit the water again on a cruise around the Isle of the Dead before your tour on this famous penal settlement. Your guide will show you the ruins, cathedral, and cells of Port Arthur while sharing stories of its beginnings as a small timber station and the convicts who left their mark on this former a place of hardship and punishment – some of whom also contributed to the shipbuilding industry. After an insightful morning, return to Hobart and your accommodation past the craggy cliffs of Pirate's Bay Lookout and unusual rock formations of Tasman's Arch, Devil's Kitchen, and the Blowhole. Watch the waves swirl and churn, pausing to appreciate its raw beauty that's unlike anywhere else in the world.

You could also choose to explore outside of Hobart on a MAKE TRAVEL MATTER® Experience, a cruise along the rugged coastline of Bruny Island viewing Australia's highest sea cliffs and craggy formations, listening to the sounds of 'Breathing Rock,' delving into deep sea caves, and passing through the narrow passage where the Tasman Sea meets the Southern Ocean. This journey in Tasmania's wilderness may also reward you with fur seals, dolphin, migrating whale, and sea bird sightings. As you conclude your Tassie travels, toast to your encounters with the island's history, culture, and natural beauty at a seafood feast in one of Hobart's popular restaurants, Mures Upper Deck overlooking Constitution Dock, the perfect way to toast your time in perfect Tasmania.
