Get ready for the ultimate island paradise as we travel to Gili Trawangan, an island with no motorized vehicles and the freshest air! After dropping our things off at the hotel, we head back out to sea for a snorkel trip. On board the boat, we'll jet around to various islands and picturesque snorkel spots in search of sea turtles, rays and if we're lucky, a cute lil reef shark. Grab your sunscreen and a snorkel and get ready for an epic day. Tonight, as if today could get any better, we head out on our big night out! Want a drank? Wanna dance? Well let's do it!

As there are no motorized vehicles on Gili Trawangan, you will need to carry your luggage from the speed boat to the hotel, approximately 300m.
