Tour Description

Embark on a journey of discovery with Sedunia Travel! Experience unique destinations, local culture, delicious cuisine, and unforgettable adventures. Our expert planners will take care of everything. Book now!

Tour Itinerary

Vancouver, Canada :- Vancouver, Canada

It seems unlikely that a character named “Gassy Jack” Deighton would be responsible for one of the most beautiful cities on the continent. But that’s history for you. During the gold rush, Gassy Jack saw a chance to make money from the hordes of miners on their way to the Yukon. The saloon he built became the focus of the shanty town known as Gastown. From that ragtag group of shacks, modern Vancouver was born.

A:0: {}

At Sea :- At Sea

There will enjoy few onboard *experience* and few activities to be carried out.

A:0: {}

Juneau, Alaska :- Juneau, Alaska

In 1880, it was slow going for Joe Juneau and Richard Harris as they searched for gold with the help of Native guides. After climbing mountains, forging streams and facing countless difficulties, they found nuggets “as large as beans.” From their discovery came three of the largest gold mines in the world. By the end of World War II, more than \$150 million in gold had been mined. Eventually the mines closed, but the town Joe Juneau founded became the capital of Alaska and the business of gold was replaced by the business of government.

A:0: {}

Skagway, Alaska :- Skagway, Alaska

Skagway was the gateway to the gold fields for the thousands who flocked to Alaska and the Yukon with the hope of striking it rich. Skagway may have boasted the shortest route to the Klondike, but it wasn’t the easiest. Over 100 years ago, the White Pass route through the Coast Mountains and the shorter but steeper Chilkoot Trail were used by countless stampeders. Many a would-be miner perished on the treacherous Chilkoot Trail.

A:0: {}

Endicott Arm and Dawes Glacier :- Endicott Arm and Dawes Glacier

This narrow fjord is located approximately 50 miles southeast of Juneau and is part of the Tracy Arm-Fords Terror Wilderness area. Breathtaking Endicott Arm extends over 30 miles long, with nearly one-fifth of its area covered in ice. At the head of the fjord, tidewater glaciers, such as the Dawes Glacier, regularly expel enormous chunks of ice into the waters below in a magnificent process known as calving. During the summer when Princess ships visit, icebergs float along the surface of the glistening water in an array of sizes, from just a few inches up to three stories wide.

A:0: {}

Ketchikan, Alaska :- Ketchikan, Alaska

Ketchikan is known as Alaska’s “First City” because it’s the first major community travelers come to as they journey north. Located on an island, Ketchikan began life as an Indian fishing camp. The name Ketchikan comes from a Tlingit phrase that means “eagle with spread-out wings,” a reference to a waterfall near town. In the early 1900s, when gold was Alaska’s claim to fame, fishing and timber industries were established in Ketchikan.
