Tour Itinerary

Day 1 :- Arrived Perth

Almost two weeks of adventures lie before you, the first a tour of Perth with your Travel Director. The vibrant Western Australian capital has a lot to offer, including fascinating art galleries. It's remarkably green, with 400 – hectare Kings Park and Botanic Garden sitting pretty in the CBD, on a lazy bend of the serpentine Swan River. Two thirds of the grounds are reserved for native plants, but there are also seasonal wildflowers, all enveloping the Anzac Memorial. Meet up again this evening for dinner. Accommodation: Crowne Plaza Perth

Day 2 :- Perth - Geraldton

Two wilderness highs provide a fitting start to this journey of contrasts. Venturing north, you soon reach Yanchep National Park. Here, on a MAKE TRAVEL MATTER® Experience, your Aboriginal guide's Dreamtime stories tell the tale of how the land was created from an Aboriginal perspective. This tour is hands-on. Think tasting native bush tucker, smelling medicinal plants, and maybe even trying to play the didgeridoo. Think the day couldn't get any better? Think again. Within Nambung National Park, the Pinnacles create a moonscape that appears plucked from a sci-fi film, its staggering collection of natural limestone structures jutting into the sky – some are 3.5 metres high. For all their mysterious appeal, geologists tell us the spires were formed 30,000 years ago when an inland sea receded. It's a spiritual place. Arriving in Geraldton, pay homage to sailors lost off the WA coast during WWII at the HMAS Sydney Memorial. Accommodation: Ocean Centre Hotel

Day 3 :- Geraldton – Monkey Mia

Arriving at Kalbarri National Park, enjoy spectacular views from the Kalbarri Skywalk over the Murchison River Gorge. If you're here during wildflower season, expect acacia, banksia and caladenia in full bloom. And just when you thought the outlook couldn't get any better, you arrive at Monkey Mia. Accommodation: Monkey Mia Dolphin Resort

Day 4 :- Monkey Mia Free Day

Every morning, Monkey Mia's wild dolphins swim close to shore where the National Park Rangers explain the feeding habits of these friendly mammals that they know by name. After watching the famous dolphins swim into shore (Note: As dolphins are wild their appearance cannot be guaranteed) enjoy a leisurely breakfast overlooking the calm waters of the bay. The rest of the day is free for you to explore or relax. You might choose to enjoy a bird's-eye perspective of Shark Bay on a scenic flight (own expense). Level 12 & 13, Menara Genesis, 33 Jalan Sultan Ismail, 50250 Kuala Lumpur For more enquiries: Email: contact@sedunia.com.my Unit 1-3, 1st Floor, Menara Penang Garden, 42A Jalan Sultan Ahmad Shah, 10050 Penang Optional Experiences: 1. Fly over the Denham town site, past bright blue Little Lagoon before reaching the stunning Big Lagoon, which forms a magnificent mosaic of interconnected salt lagoons. The return to Shark Bay airport is via historic Peron Homestead which was originally a sheep station now part of the Peron Heritage precinct. b. The flight crosses part of Dirk Hartog Island and continues over shallow waters and sand bars adding to the astonishing range of blues and greens hues of the area and then returns to Denham and Shark Bay airport. 2.
